Commitment to Sustainability

At Moonlight Hosiery, sustainability is at the heart of our operations. Our commitment includes:

-  Energy Efficiency & Renewable energy
-  Water & Waste Water Management
-  Waste Management
-  Chemical Management
-  Material Sustainability

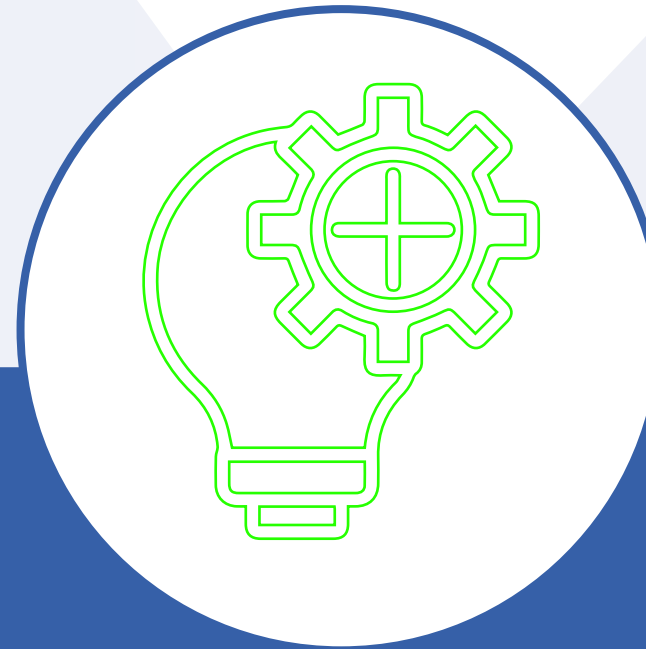

Energy Efficiency & Renewable Energy

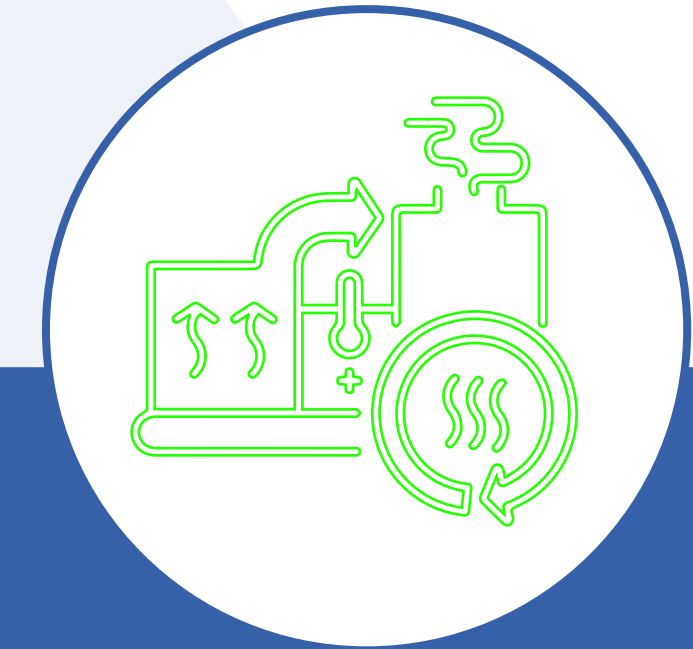

Renewable Energy

Our 165kW solar setup is designed for maximum efficiency, generating clean, renewable energy

Energy-Efficient Machinery

Invest in energy-efficient machinery and equipment to reduce energy consumption.

Heat Recovery Systems

Implement heat recovery systems to reuse energy from manufacturing processes.

Water Conservation

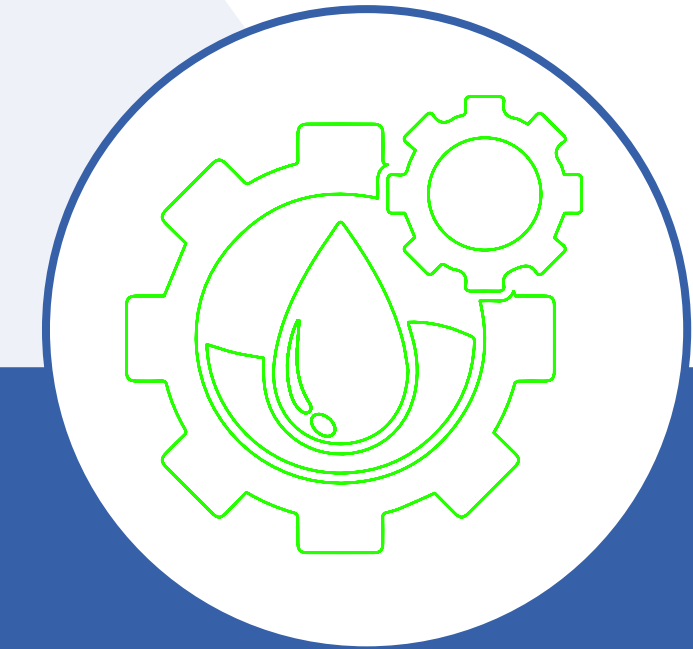

Water Recycling

Install systems to recycle and reuse water in the manufacturing process.

Efficient Water Use

Optimize processes to reduce water usage, such as low-water dyeing techniques.

Water Treatment

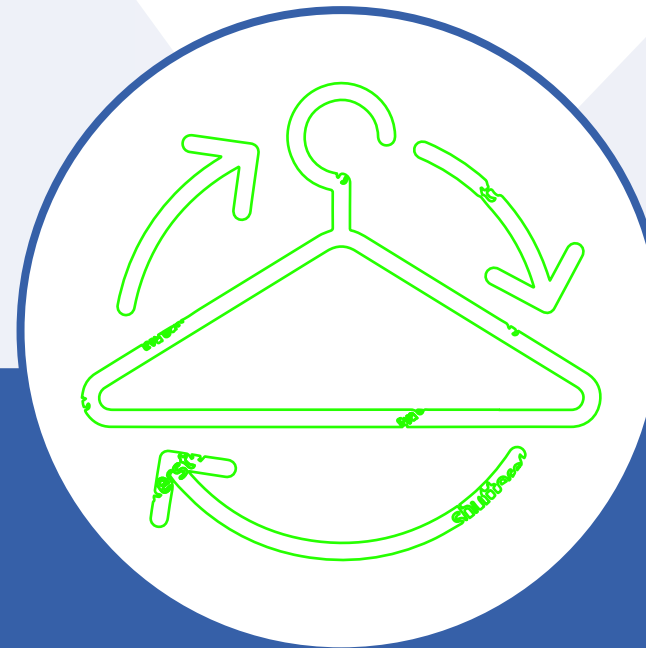

Treat wastewater to remove contaminants before it is released back into the environment.

Waste Management

Zero-Waste Initiatives

Implement strategies to minimize waste production and recycle or repurpose waste materials.

Scrap Fabric Utilization

Use scrap fabric and offcuts to create new products or as insulation material.

Packaging

Reduce packaging waste by using minimal, recyclable, or biodegradable packaging materials

Eco-Friendly Dyes & Chemicals

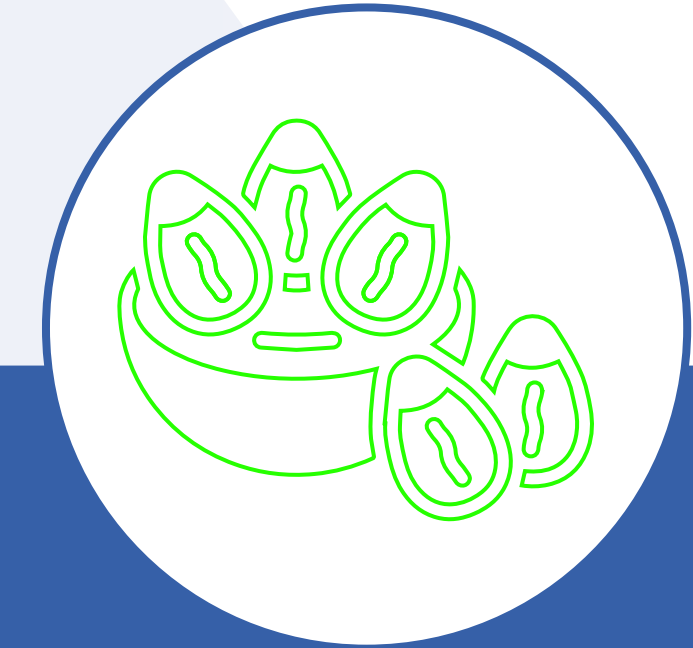

Low-Impact Dyes

Use of dyes that require less water and energy during the dyeing process and are free from harmful chemicals.

Non-Toxic Chemicals

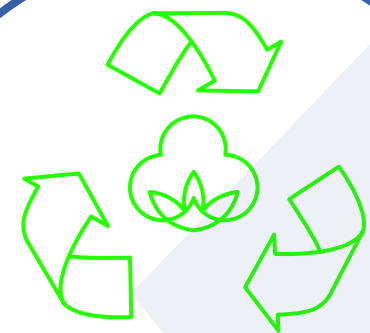

Opt for non-toxic chemicals in the production process to minimize harmful emissions and water pollution.

Natural Dyes

Use plant-based or other natural dyes that have minimal environmental impact and reduce reliance on synthetic chemicals.

Material Sustainability

Recycled
Fashion

Recycled Polyester

Use of recycled polyester made from post-consumer plastic bottles or other recycled materials instead of virgin polyester.

Organic
Fabric

Organic Cotton

Blended organic cotton with fleece to reduce reliance on synthetic fibers.

Eco friendly
Materials

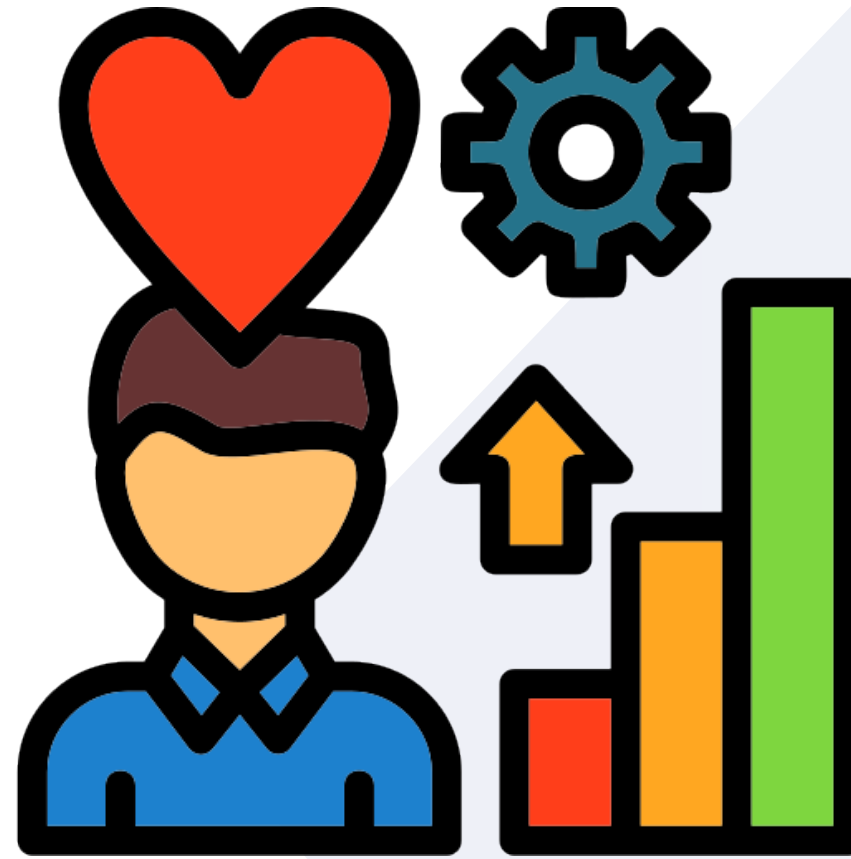

Natural Fibers

Incorporate natural fibers like bamboo, hemp, or wool, which have a lower environmental footprint.

Skilled Workforce

We pride ourselves on our highly skilled and efficient workforce, including dedicated designers and keen workers passionate about their craft. Their expertise ensures that our products meet the highest standards of quality and innovation

Employee Development & Well-being

At Moonlight Hosiery, we are committed to the continuous growth and well-being of our employees. We believe that investing in our workforce's professional development and personal well-being is key to fostering a motivated and competent team.

Commitment to Labor Rights

At Moonlight Hosiery, we are committed to ensuring that all employees are treated fairly and work in safe and respectful conditions. Our dedication to labor rights is a cornerstone of our corporate philosophy and reflects our belief in the intrinsic value and dignity of each worker.

Infrastructure

At moonlight hosiery, we pride ourselves on our advanced infrastructure that supports every stage of textile manufacturing. Our facilities are equipped with modern machinery and technology to ensure efficient and high-quality production processes.

Stitching Department

Our stitching department is where the magic happens. With around 350 modern machines and a skilled team behind them, we're able to produce between 200,000 to 300,000 garments every month. This process helps us get things done efficiently while keeping costs down and quality high.

Cutting Department

In the cutting department, it's all about detailing. We use smart cutting machines and a trained crew to make sure every piece of fabric is cut just right. This helps us avoid waste and makes sure everything fits together perfectly later on.

Dyeing Department

Color comes to life in our dyeing department. We use eco-friendly dyes and modern equipment to make sure every fabric looks vibrant and stays that way. It's a careful process, but it means our colors pop and they last.

Printing Department

Our printing department adds the final touch. Whether it's bold logos, fun patterns, or detailed designs, we've got the tools to print it all crisply and cleanly. From screen printing to digital methods, we make sure every piece looks as good as it feels.
